
KIST School
Internship Program
for 2020 Spring

KIST School Internship

- School provides 6 month-long internship for outstanding applicants, and it offers English classes (to help students get an official English score for entering Masters and Doctoral degree courses), a Korean language program, and R&D field training. During the internship, to enroll for the 2020 Spring semester of the KIST School Degree program, students must meet the minimum requirements of English scores. Interns who meet the minimum requirements of English score are started R&D field training without attending English classes.
